Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Listed on the accompanying Form PTO-1449 are documents that may be considered material to the examination of this application and are submitted in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98. Copies of the non-U.S. citations and article are attached.

No fee is required. The attached citations are submitted before any action on the merits.

The citations were identified on the International Search Report. Another copy of the report is attached.

Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue.

**Application No. 10/588,360**

**INFORMATION DISCLOSURE STATEMENT of January 22, 2010**

The Applicants reserve the right to establish patentability of the claimed invention over any of the information provided by this statement, to prove that the enclosed information is not prior art and/or not enabling for the teachings purportedly offered.

This statement should not be construed as a representation that an exhaustive search has been made or that there does not exist information more material to the examination of the present patent application. The Examiner is specifically requested not to rely solely on the material submitted with this statement.

The Applicants request that the Examiner initial and return a copy of the enclosed Forms PTO-1449 and indicate in the official file history of this patent application that the documents have been considered.

The U.S. Patent and Trademark Office is authorized to charge any fee deficiency or credit any overpayment to our Deposit Account No. 15-0700.

Respectfully submitted,
